ABOUT YOUR DESIGN

Project Name: _____

Vacant Lot Location: Street Address: _____ City/State: _____

Vacant Lot Area (ft² or acreage): _____

Brief Description/History of the Vacant Lot: This can include any information that the team deems relevant: Surrounding uses, potential contamination issues, orientation and climate, accessibility/public access, etc.

Unvacant Lot Design Concept/Narrative:

REQUIRED GRAPHICS

Each entry must include up to five slides or images depicting the Unvacant Lot design proposal. Images can be plan views, sketches, 3D renderings, or other formats. There are no limits, and lack of 3D modeling skill will not keep a creative entry from winning, as long as the concept is clearly presented.

JUDGES

Entries will be judged by a panel of CNU Florida members with experience in planning, landscape design, and tactical urbanism at the live, Unvacant Lot Zoom event.

SCORING METRICS

- Creativity & Originality
- Reflection of Local Community/Place
- Presentation of Ideas & Organization
- Feasibility of Physical Design

EVENT PRESENTATIONS

The top five entries will have five minutes to present their designs at the live, Unvacant Lot Zoom event, followed by questions from the judges. Images/slides used during the presentation will be those submitted with this entry.
